Belonging through change

These are original editable study-page layouts by Kavonte Jones Sr.. Start with any page. You may leave a question unanswered or keep your reflections private.

For Canva: create a personal design by importing this PDF from your own download. Edit the text, labels, colors, and page order in that copy. Canva may substitute unavailable fonts. A Canva account is separate; no paid Canva plan or stock asset is included.

Print this PDF at actual size on US Letter paper, or use its prompts in a separate notebook. It is a printable template source, not an interactive form.

Use Scripture references with a Bible appropriate to your territory. Keep Scripture text, interpretation, and personal application distinct. For medical, mental-health, financial, or legal needs, work with qualified support.

Personal and household customization is permitted. A ministry or educational purchase license covers use in that purchasing organization. Do not resell the templates, distribute editable masters publicly, or imply author endorsement of your edits.

Original layouts and text © 2026 CrownThrive, LLC. All illustrations in the wider collection are original conceptual art. These template pages use only original vector layout and text, with no Canva stock content.
